Hear – Boys Sing!

36 years of “making a difference ... one boy at a time”

December 2017

Greetings Choir Friend!

I am writing to you on behalf of our choirboys to request your corporate support of our upcoming 36th concert season celebration – ***SUPERHEROES UNITE! GALA DINNER AND AUCTION***. This event is very important for us as it is our largest fundraiser of the year, raising a significant portion of our operating budget so that we can provide talented young boys an exceptional music education. We do not receive state or federal funds so we depend on fundraisers like the Gala to support our music programs. This Superhero event is **Saturday, February 3, 2018** at Safari Texas Lodge. Can you help us raise \$50,000 this year for our choirboys? Your sponsorship can make a huge impact on our choirboys so join us to keep the music alive for them. ☺

We hope your company can play a significant role in our Gala Dinner and Auction and help us through a corporate sponsorship! Information detailing our sponsorship levels is enclosed. By supporting our Superhero gala event, you will receive great exposure for your business and acknowledgement of your donation through print materials such as the auction program and spring concert program in addition to online recognition through our choir website, email marketing and social media like Facebook.

A true "boy choir" is unique and there are less than 50 in the entire United States! And what you may not realize is that the Fort Bend Boys Choir is one of the largest boychoirs in the world – right here in your own backyard! Talented boys become accomplished singers in a positive, proactive environment but also learn many life lessons which help them build character, manners, discipline and most of all, learn the value of working hard to attain a goal. They enter our music programs as young boys and emerge as young men with a solid foundation of becoming outstanding citizens in their community. With the many news headlines touting crime involving young boys and men, having an encouraging atmosphere of learning can truly make a positive difference in their lives.

The Fort Bend Boys Choir is a tax-exempt, nonprofit 501 (c)(3) organization and our Federal Tax ID number is 76-0038318. Should you have any questions, contact the choir office at (281) 240-3800 or email to ptm@fbbctx.org. Participate in our ***SUPERHEROES UNITE! GALA DINNER AND AUCTION*** and help us uphold our motto of “making a difference ... one boy at a time.” Together we can make an impact in the community in which we live.

Sincerely,

Rick Forlano
Board President

Tiana Mortimer
Board Secretary

William R. Adams
Founder/Artistic Director

and our remaining board of directors members including Treasurer Liz Dewey and Members David Anthony, Lucia Street and David Doan.
