An Easy Way to Support the Choir—Randall’s and Kroger Community Rewards

If you shop at Randall’s or Kroger, there is an easy, no cost way to support the Fort Bend Boys Choir! It is as simple as linking your Shopper Rewards Card to our organization ... once linked, the stores will donate a percentage of every purchase. Money received from these Community Rewards programs help offset the cost of supplies, music and more!

For Randall’s Food Markets, simply present your Randall’s Shoppers Card to the cashier **BEFORE** they ring up your purchases and ask them to link this rebate number: **Rebate #4032** ... Every transaction from that point on will be automatically linked to the Fort Bend Boys Choir. If you have family and friends elsewhere in Texas that have a Tom Thumb grocery store, this should work for them as well, since it is the same company!

For Kroger, you will need to create a digital account with them first (it’s free) at Kroger.com. Simply click on the “Sign in” logo at the top and it will have a choice to “Create an Account.” Log into your account and on your dashboard, you will see a link for “Community Rewards.” Type in “Fort Bend Boys Choir” when prompted and then save. After that, your purchases will benefit our organization as long as you use your Kroger Rewards Card. You should see something similar below on your grocery store receipts:

Choir News in the Media

Hopefully soon, you will see some press about our successful choir rehearsals in the Fort Bend Star!

It Bears Repeating ...

We have been meeting for several weeks now successfully, thanks in part to your diligence! Continue to self-monitor and practice social distancing. Wear your mask! Wash

hands often with soap and water, lathering up for at least 20 seconds before rinsing. And of course, use

hand sanitizer when washing hands is not convenient.

Auditions Ongoing

Even amidst COVID-19, we have successfully auditioned several boys who are now in our choirs. If you know of a boy who loves music and singing, please have his parents contact us in the choir office for more information or fill out the online Audition form on our website. As your sons have been rehearsing for several weeks now, you can share that our safety protocols do work!
